

# Around the World

Cultural Camp for 3 - 7 years old

## Learning Objectives:

- To increase students' knowledge of the world beyond their origin country;
- To heighten students' interests in other parts of the world;
- To provide an opportunity for cross cultural exchange in a globalised world.

## Subject Areas:

- **Visual Arts:** Students will discover art from around the world and make multicultural creations as they learn more about the world around them.
- **STEAM:** There are challenging Science, Technology, Engineering and Maths activities based on each culture for students to enhance their learning.
- **Geography:** Students will learn about the geographical features and some historical background of the countries.

## Certificate of Participations:

Imperial Academy is an Approved Centre of the Training Qualifications UK (TQUK), which is an awarding organization regulated by the Office of Qualifications and Examinations Regulation (Ofqual) in the UK and the Welsh Government. Around the World Cultural Camp participants who have completed 90% or above attendance may receive a Certificate of Participation issued by TQUK.
