About Us

Imperial Academy, founded in 2010, believes that all children are capable individuals with great potential that blossom at early ages. We provide a wide range of after-school classes and activities aiming to facilitate children's Multiple Intelligence development.

We emphasize the role of the learning environment and the different ways that children express themselves which match with Reggio Emilia Approach. We aim to provide children in Asia with an enjoyable and enlightening journey towards English Language acquisition and developing a lifelong appetite for knowledge.

Our learning centre has been based in a district with both top and well-known local and international schools in Hong Kong for over 13 years.

關於我們

自2010年起，Imperial Academy 一直深信每位孩子都是有能力的個體，擁有無限潛能。透過提供各式各樣的課餘班及活動，我們幫助孩子在幼兒初期得以發揮他們的才能和潛能，在未來發亮發光。

我們非常著重學習環境，並致力促進孩子的多智能發展以及培養他們各種不同的表達方式，這正是我們所採用的瑞吉歐教學理念。我們致力為亞洲的孩子鋪設一條掌握英語既輕鬆又愉快的路徑，培養他們終身學習的求知慾。
